leg of traternity, whether or State or city. Mr. Loan made his grounds of appeal from the decision of the Circuit Judge, to consist in unconstitutionality of the "Star Law," as imple the obligation of contracts, and as retaigsant to the Constitution equally of this State and of the United States. This was the first and most impoling ground of olderin. His second ground processes. His third round of objection dengances such a law as against common right and reason, as well as Magna Charter, the refore, specfacta void

All these grounds are well taken and excellentby well arranged. The argument indeed exhibits great research, reading and study, and is well put-the several points, amade coherently, condeney, all converging to a conclusion, which, to I books can never enter heaven." every judgement, must prove entirely satisf ctory. The mind of Mr. Lost is not only legal, but markedly logical. His method is excellent, his lan guage lucid, compact, and distinguished by good taste and propriety. He has done himself great credit by this performance, and done the people of the State much good service. A more mischievous law was never made-more vicious legislation never took pace to complicate the difficulties of the public malady in a time of great public tribulation. The measure was simply and tampered with the subject-and they are too apt to tinker with subjects which tinkers are never expected to comprehend-there would be few of our civizens now groaning under those burdens of indebtedness which weigh so he vily upon so many hearts and heads and shoulder Every debt miglit have been satisfied without any man's property being sacrificed under execution Char. SHECKING ACCIDENT-A MAN ON FIRE. - An aceident of a terrible character occurred in the basement of premises No. 482 Eighth Avenue, on Saturday night. The police and passers by were apprised of the disaster by the appearance of a burning man rushing through the street and screaming at the top of his voice. The hight was quite dark, and the spectacle was of the most appaling character. They were suldenly as onished and alarmed at first by what represent to be a column of fire about fitteen feet in height bursting from the bisement of the tenement mentioned, and rushing down the street at a fearscreams, which a peared to issue from the bosom of the burning shaft. The houling man of flame sped down the street, like an omen of death, for nearly an entire block, swaving to and fro and anally falling to the granul. The police then became aware that the flaming column was a burning man, whose clothes had taken fire from the explosion of a keresone lamp, occasioned by carelessness, in the basement of No 482 Eighth Avenue. The unfortunate man (Antonio Reich) was cared for, but it is not expected that he can recover. Two others, the proprietor and a man named George Deltman, were also dreadfully burned.—New York Express.
